

KING KOIL CLUB CLASS 5

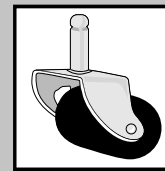

The Club Class 5, the flagship model of King Koil is renowned for its back care properties and features the endorsement of the International Chiropractors Association (ICA) the backcare specialists. This exclusive combination of Chirospan Posturisation, Flex-edge border supports and Flexi-coil springing work simultaneously to provide exceptional comfort and support at all times with particular emphasis on the spine and lower back.

SPECIFICATIONS

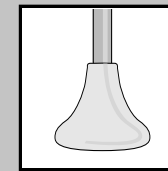

- Full ICA the back care specialist approved specifications with 600 Flexi-coil springs in standard double mattress
- Chirospan Posturisation - a series of steel bars spanning across the centre third on both sides of the mattress for excellent spine support
- 12 Flex-edge border supports - provide edge-to-edge support.
- Perimeter wire frame to reinforce the mattress edge
- 12 layers of quality upholstery including natural coir fibre padding, polyester and foam cushioning.
- Attractive Belgium Damask featuring distinctive ICA logo.
- Platform top divan base provides a firm, solid foundation for the mattress.
- Available in "Turn-Free" option.
